UCC
COFFEE

THE TOTAL COFFEE SOLUTION

**ONE OF THE COFFEE-SCENE'S
LEADING NAMES LOOKING TO DELIVER
THE VERY BEST.**

THE CHALLENGE

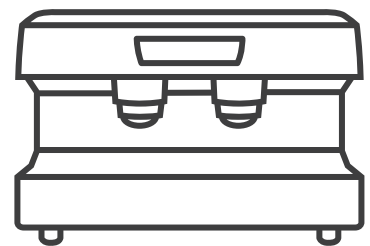

Caffeine & Co – a small chain of independent artisan coffee shops in Manchester – prides itself on providing the highest possible quality. And that means it needs top quality equipment.

THE SOLUTION

EQUIPMENT

THE RESULT

EXCEPTIONAL COFFEE

Brewed on the World Barista Championships' machine of choice.

WHAT WE DELIVERED

- Exclusive, Nuova Simonelli cutting-edge technology with multi boiler functionality and temperature control.

THE IMPACT

- The Nuova Simonelli Aurelia II T3 gave Caffeine & Co the level of quality they needed to produce a perfect cup of coffee every time.
- The machine, supported by their talented staff and delicious coffee, helped cement its reputation for serving only the best.

"The top-quality equipment allows us to deliver the high standard of coffee we strive for."

Phil Howells,
Caffeine & Co owner

IN THEIR WORDS

"We look to provide food and coffee at equal levels of quality – the highest possible. It's a very competitive industry, but the UCC Coffee team – the exclusive supplier of this cutting-edge technology in the UK – has been very supportive."
