

# BRITA P1200 FILTER

Our partner for better water.  
Coffee is 98% water – get it right.

## FEATURES + BENEFITS

- Quality coffee – The BRITA P1200 provides outstanding and consistent water quality, free of unwanted taste and aroma elements. The P1200 meets the Speciality Coffee Association water quality standards so you can always achieve your desired recipe. By preventing limescale it also protects your machines, improving performance and increasing uptime.
- Exchanges made easy – A simple exchange process ensures there’s never a drop in water quality and minimal engineer time on site. The P1200’s perfect for medium-high volume sites.
- Key features – Targeted adaptation to local conditions, removal of limescale deposits and all BRITA cartridges fully recyclable.
